ABOUT

Passionate about everything that involves technology. Always trying to be facing new challenges and be constantly learning. Currently, I'm focusing the 100% of my time and energy at Henry´s bootcamp.
My goal is to get into the professional world of programming and development while learning new technologies.

PROJECTS & EXPERIENCES

DIGITAL MARKETING & ONLINE PRODUCTS SELLER
I had experiences on selling products online and implementing digital marketing tools like Facebook ads, Email Marketing and others.

- Managed social media accounts.
- Creation of online store's using Shopify.
- Creation of campaigns focused on the niche of the store to attract potential customers

SOYHENRY - PROJECTS (CURRENT)
Individual & Grupal Proyects

- In the course, Henry gives us the tools to be able to carry out both individual and group projects, in order to maximize our professional work, both in groups and individually.
